- Hospitals
- Rental Stores
- Vehicles
- Manufacturing

### WHY CHOOSE ALKOTA

**There is no reason that machines need to be complicated to do their job.**

Our team of engineers and product developers have been designing, building and improving high pressure cleaning systems since 1964. When you buy an **Alkota** pressure washer, you're buying quality and longevity. It is an investment in the future of your business.

At **Alkota** we believe that simplicity means quality.

Being American owned our machines are built with high quality materials the old-fashioned way, by hand. We design and assemble them right here in the heart of the **USA**, so that you know you're getting an American-built machine.

# AX4 DIRECT DRIVE SERIES SPECIFICATION CHART

| MODEL      | 216AX4*             | 311AX4              | 320AX4*            | 324AX4*            | 420AX4             |

## Standard Features

- Burns Kerosene, Diesel or Home Heating Oil
- Belt drive triplex ceramic plunger pump for long life.
- Soft Dampening system for long life of high pressure fittings, pump & coil.
- Adjustable Front axle for proper weight distribution
- Corrosion resistant float tank
- Winterizing valve for protection during freezing weather
- Built in Wand Holder.
- 50 ft. hose, shut off gun and 42" insulated wand
- Four pneumatic wheels
- Schedule 80 Hydro Insulated Coil
- High Pressure Detergent
- 15, 25 & 40 Degree Color Coded Nozzles

## Available Options

- Hour Meter
- Flat Free Wheels
- Adjustable Temperature Control
- Stainless Steel Wrapper
- Stainless Steel Frame
- Smart Timer - Auto start/stop with 20 sec. delay
- Auto Shut Down - Manual on/ auto off with adjustable timer
- 3 Phase 230V or 460V

## FOR BETTER CLEANING

Clean Better with **Alkota** Biodegradable detergents specially formulated for high pressure cleaning.

All Pressure washer detergents are blended with Scal Trol to reduce scale buildup in the heating coil, pump and fittings. This improves equipment performance and minimizes replacement and repair cost.
