

PRODUCT DESCRIPTION:

O.J. has a wide variety of uses ranging from an all purpose cleaner to a heavy duty industrial degreaser. It will emulsify heavy grease, soap scum, rubber burns, floor finishes, black heel marks, dirt, printers ink, and carbon deposits. It has excellent cleaning capabilities even at extremely high dilution rates. It is combustible and contains no hard abrasives.

DIRECTIONS FOR USE:

This product may be sprayed, mopped, wiped, or brushed on. For removal dirt and grease, general bathroom and kitchen cleaning, white sidewall tire cleaning, degreasing industrial machines, removing heavy carbon, grease, or oil deposits. Kitchen equipment should be cool for best results. Carbonized grease is removed by allowing to remain on the surface for a few minutes, then use scraper or putty knife to lift off carbon. Spray again and rinse with potable water.

Do not allow to dry on surfaces, always rinse thoroughly. All products should be tested in an inconspicuous area.
