

PRODUCT DESCRIPTION:

BOND BREAKER is designed to safely clean polished aluminum and painted surfaces of over the road tractors, trailers, and other type commercial vehicles without damage when used as directed. This product will remove magnetic road film from trailers without brushing. **BOND BREAKER** will work in cold water as well as hot water, and rinse free at any temperature. It is designed for heavy duty cleaning such as drive through truck washes.

DIRECTIONS FOR USE:

For use in hot pressure washers, apply to the surface at the rate of 1 part cleaner to 70 parts water. For use in cold pressure washers and cold water drive through truck wash systems use at the rate of 1 part cleaner to 35 parts water. When cleaning with pressure washers, always apply cleaning solutions from the bottom up on a dry surface. Always detail clean from the bottom up and rinse from the top down.

Do not use on painted surfaces at concentrations of less than 1:15. Do not allow to dry on surfaces, always rinse thoroughly. All products should be tested in an inconspicuous area.
